# PRINTING VINYL

Self Adhesive Printing Vinyl

Sinovinyl is a professional printable vinyl manufacturer

## High Polymeric Self Adhesive Vinyl

Eco solvent, UV, Latex

## Self Adhesive Vinyl

Eco solvent, UV, Latex

## Holographic Self Adhesive Vinyl

Eco solvent, UV, Latex

## Lamination Film

Laminated protection

## One Way Vision

Eco solvent

## Special Material

Eco solvent, UV, Latex

## Holographic Self Adhesive Vinyl

Excellent printability, conversion and application characteristics

**Personalized custom patterns**

## Product Advantages

perfect printing effect

Fine texture delivers high quality images

the adhesive is permanent solvent-based

Excellent printability, conversion and application characteristics

# High Polymeric Self Adhesive Vinyl

The film coating is even, and the ink adhesion is strong. It is compatible with all mainstream printers and delivers high-definition print images.
